We are very proud of the work that is going on across the school to support diversity. Over this academic year, we have been working towards the Rainbow Flag award as a vehicle to ensure that acceptance, tolerance and value are embedded across our community. It is important that we provide a school that is a safe place for all members of our community, and I am grateful for the support and work that has been invested in this over the last year by staff, students and parents – thank you.

Next week we are looking forward to welcoming our new cohort of staff and students with induction days and Year 7 Discovery days. This is always an exciting, if a little over-whelming time for these students. I am grateful for the sixth form mentors and Y7 ambassadors for their support on these days and I know they will help them settle quickly and enjoy their time with us next week.

On Tuesday, we have our main Sports Day as part of an extended afternoon (following an earlier lunch). I am looking forward to the energy, cheers and performances of the students representing their houses and keeping my fingers crossed for an extended spell of fine weather.

Thank you for your support

Mr Pauling  
Headteacher

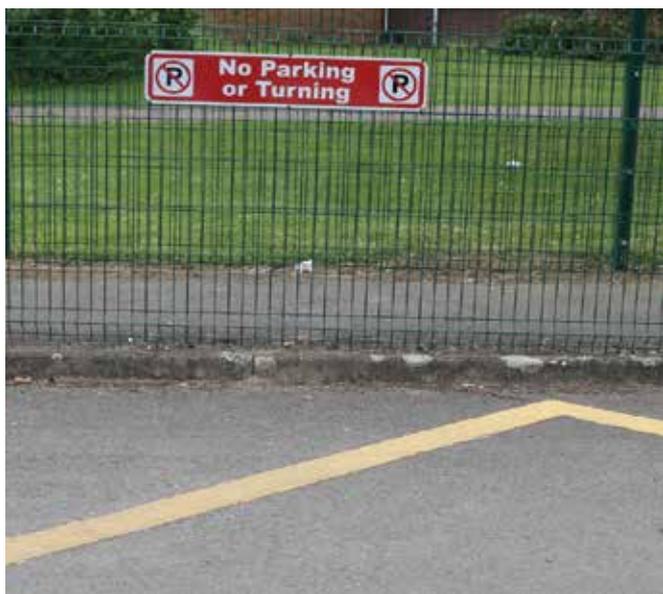

## Parking Reminder

Please be considerate when dropping off and collecting your children by car. We have had numerous issues with parents/carers parking on pavements causing pedestrians to walk into the road, risking an accident, as well as parking across driveways preventing our neighbours from leaving their properties.

The issue has been exacerbated since the Brookfield Road closure, with the volume of traffic increasing dramatically due to cars turning around to go back the way they came.

Mindful parking not only decreases the volume of traffic, ensuring the safety of the students, but also decreases the inconvenience that is often caused to our neighbours.

**Please do not park or turn in the areas in front of the school gates. There are signs in place as reminders, as well as yellow zig zags painted on the ground. Using the deltas as parking/turning areas causes congestion and risk of accidents, especially during busy periods.**

## Helmet wearing for students riding bikes to school

Just a reminder for students that ride bikes to school about the importance of wearing a helmet; many students have been seen hanging their helmet on their handlebars or putting them loosely on their heads without securing it.

According to CYCLESUK, a major study of cycle helmet use around the world, taken from more than 64,000 cyclists, has found cycle helmets reduce the risk of serious injury as follows:

- Head injury, reduced by 51%
- Serious head injury, reduced by 69%
- Face injury, reduced by 33%
- Fatal head injury by 65%

*The cycle helmet shown in the image was damaged in a road traffic accident, just imagine if the cyclist wasn't wearing a helmet! Wearing the helmet undoubtedly saved the cyclist from a serious, possibly fatal head injury.*

## **Possible Travel Disruption, Monday 4th July 2022**

There may be fuel protests in and around the M4 and M48 bridges linking Wales and England on Monday 4th July. Please be aware that this may impact travel in the area as it will have a knock on effect of travellers finding alternative routes. Please keep an eye on travel and news updates over the weekend as this may affect your travel to and from school. Please ensure that you allow additional travel time to ensure that your child arrives at school on time.

---

## **Donations of Second Hand Uniform**

We would be grateful for any second hand uniform donations from year 11 students (now that they have finished their exams), or from any students who have outgrown some of their uniform. Please pass any clean donations to Reception. Many thanks.

---

## **Confiscated items**

We have accumulated many confiscated items which we are holding at reception. Parents have been contacted to collect the items as students will not be permitted to do so. If you have been contacted, and have not collected these items yet, please could you make arrangements to do so as soon as possible. We will be disposing of the items during the summer holidays if they are not collected by the end of term.

---

## **Lost Property**

Please remember to name all of your child's uniform and equipment so that it can be easily returned if it is misplaced.

We currently have a large amount of lost property which is not named, including water bottles. If your child has misplaced anything please, remind them to check with lost property. Any items not collected by the end of term will be disposed of during the summer holidays.

## **Help for Hardship**

"Citizens Advice and the Trussell Trust have come together to develop a free helpline for people struggling to afford the basics. Operating in England and Wales, the helpline offers personalised advice and support to help address the underlying causes of the hardship, as well as a quick and seamless referral to a food bank for people if required."

<https://www.citizensadvice.org.uk/about-us/our-work/advice-partnerships/help-through-hardship/>

We are aware that not all referral agency colleagues can offer support for people over the summer months. You are very welcome to contact us on our Help for Hardship contact number if you think may struggle during this time.

People who call 0808 2082 138 will be able to speak confidentially to a trained Citizens Advice advisor (9am-5pm, Monday to Friday), who can issue a foodbank voucher and provide other information as needed.

### Hayfever

If your child suffers with hayfever please could you remind them to take their medication/sprays/eye drops in the morning before they leave for school. If there are any issues during the school day, then there are a couple of things they can do to help lessen the effects.

Use Vaseline just under the nose as this helps stop pollen/spores entering the nasal passage.

Bathe eyes with a cloth or toilet role that has been soaked in cold water as this helps to remove any pollen/spores around the eye area.

Please remind your child, unless the symptoms are so bad that the student is too ill to continue with the school day, not to go to First Aid for hayfever treatment as we are not permitted to dispense Antihistamines and therefore do not store them.

### Chosen Hill School Dress Code Policy 2022-2023

As many parents/ carers will be aware, a new law was passed in Parliament which required schools to follow new statutory guidance set out by the Department of Education concerning school uniform.

The school has now implemented a new dress code for the academic year 2022-23. The new dress code is gender neutral with compulsory and optional uniform items.

The purpose of the new dress code is for our students to feel comfortable and able to fully participate in school life. The school understands that there is no constructive or sensible reason why the student population should wear different clothes. Research shows that gender stereotypes can restrict the access to learning and physical activity of some students.

Chosen Hill is an inclusive school that treats students as equals. This means the schools actively challenges all gender stereotypes and fixed ideas about what students can do/achieve/enjoy/express. The school reflects society and has a LGBTQ+ community. It is important that students can wear clothes that make them comfortable. The main goal is for every child to feel a sense of security and belonging at school.

The school is helping to keep the cost of uniform down, by reducing some of the branded items as compulsory uniform. This means that although many of our parent will use the school's uniform supplier, other high street options such as supermarkets are available.

Details of the new policy can be found on the [website](#).

## Pride Day 2022

On Thursday 30th June we were thrilled to run Pride Day 2022 at Chosen Hill School. All of our Year 9's participated in the event to help raise awareness of the LGBTQ+ community, and help them to recognise the wide diversity of people within our school and the world we live in.

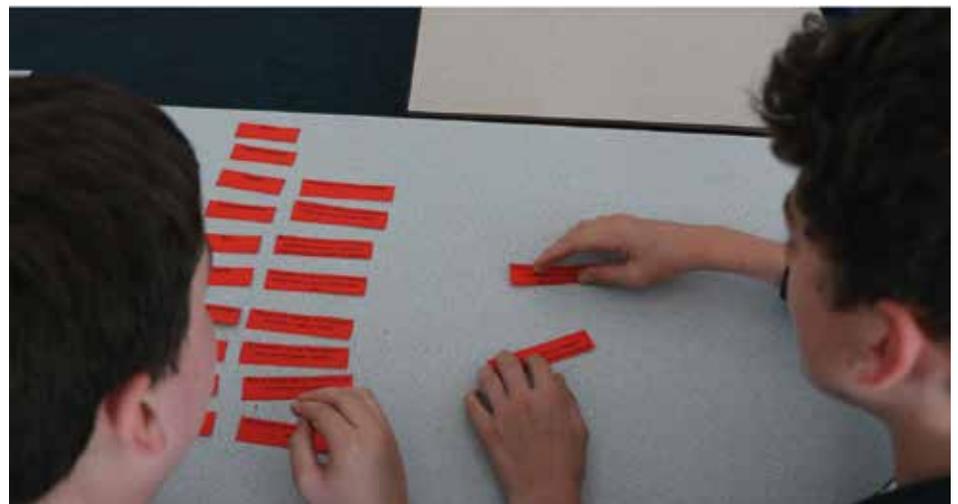

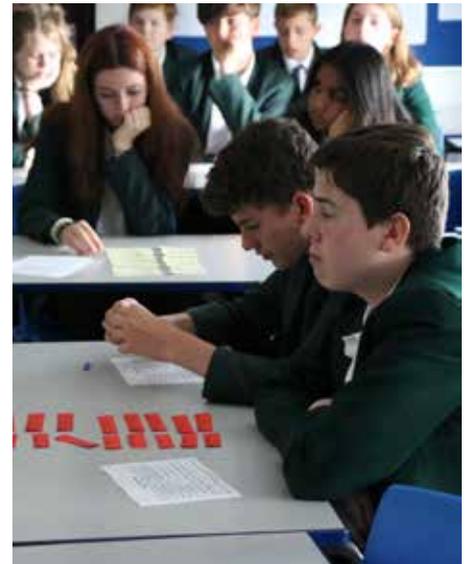

Students took part in an introduction assembly which discussed Pride month and homophobic behaviour. They then took part in 4 x 30 minute workshops which covered:

- What is Drag?
- The science behind LGBTQ+
- Supporting the LGBTQ+ community
- Hate crime within the LGBTQ+ community

As a finale to the day, we welcomed local drag queens, Misty Monique and Miss Demeanor McCall, into school to perform. They spoke to the students about drag queens, the issues surrounding drag, the LGBTQ+ community and about being yourself and accepting others for their uniqueness.

Students really enjoyed the day and were all able to take away some key messages and life skills from it. We know that this has contributed positively to our ongoing path of making Chosen Hill School a positive LGBTQ+ environment, and also one that is accepting of all diversities.

## HOUSE COLOURS

With the relaunch of the house system at Chosen Hill and the first full sports day in 3 years we want this year to be the biggest and brightest. The 6th Form are already collecting names of competitors. Please encourage your child to take part, as events like this help to foster the togetherness and community that we are striving for in school.

This year's sports day is in the afternoon of the 5th July (with prelims on the 28th June). All students (both competitors and spectators) should bring clothes in their house colours to change into at lunchtime. Face paint and house banners are also encouraged. The 6th Form House Captains will be organising decorations during the early lunch before the event.

It is often difficult to source clothes of the right colour so the house team have organised the sale of house T-shirts. These are 100% cotton. Please see the size guide below to allow your child to ask for the correct size, once the T-shirt has been purchased it cannot be refunded or exchanged. There is limited stock so they will be sold on a first come first served basis.

Thank you for helping us to make this the best and brightest sports day ever.
