

Happy New Academic Year!

We are excited to announce that some of our level 2 and 3 apprenticeship **roles are now LIVE** in your region. Roles will be closing on the 9th of October 2023, and we want your students to be a part of our future.

Here at Severn Trent, our apprenticeships are not just another job but a purposeful career, helping deliver one of Life's essentials and impacting the lives of millions of customers each day.

As a good youth employer, we are an exciting and inclusive place to work. We also have a range of benefits that reward and recognise great work (including a competitive salary and bonus schemes) and award-winning training to ensure each apprentice reaches their potential.

Don't just take my word for it but hear from our current apprentices [Here](#).

Does this sound like a right opportunity for your current or previous students to work? then they can apply for our current roles below:

- [Apprentice Quality Technician](#)
- [Apprentice Security, Resilience and Site Ops Analyst](#)
- [Apprentice Maintenance Technician - Electrical](#)
- [Apprentice Maintenance Technician - Mechanical](#)

If this is not a right fit for your students currently, our main campaign with more roles will be going live in **January** and students can register their interest [HERE!](#)

Applications Support

We want to do our part in ensuring that every candidate has the best chance of success. So, here are some resources to support you and your students with our application process.

Here are just a few:

- Not sure what may be the best role or path for you? Students can find the right role for them using our '[Find Your Fit](#)' careers quiz
- To help you understand our application and selection process and some top tips for success, watch back our [Applications Masterclass](#)
- To equip candidate for our assessment use our partners '[Cappfinity Preparation Hub](#)' here you'll find all the guidance you'll need to get you ready for your assessment.
- Are your students lacking in confidence or need more support with employability skills? Our academy is ready to help with a range of employability skills, workshop accessible either virtually, on demand or in person [HERE](#).

Head over to our [website](#) for more resources and to get more information on our other programmes.

Please do not hesitate to also reach out to me if you have any questions.
Can't wait to hear from you and your students!
