HEADTEACHER'S COMMUNICATION

Last week we had the cold - this week the rain! But this didn't dampen the mood as we celebrated a fun filled Evening of Dance last night. Well done to all involved – you were amazing and a huge thank you to the PE team that organised the event. Many hours have been spent rehearsing and preparing for the show. At the same time Matilda rehearsals are in full swing and it too promises to be another incredible performance (make sure you get a ticket when they are released in the new year!)

It has been great to welcome parents, partners and alumni to the different events and sessions that have been running over the last week we really appreciate the time and value they give the school.

Next week we look forward to the excitement of the Year 7 Christmas Fair – students have been planning and preparing their stalls for the last few weeks and we are hoping they manage to raise lots for the Adventureman charity that has inspired their 'You are awesome' topic.

This week we have launched a big push on attendance for as many students as possible to achieve 100% attendance over the last two weeks of term – thank you in advance for your help with this.

As always please do get in touch with school if there is anything we can do to support your child or address a concern either through your child's Learning Mentor or the main office email. Many thanks

Mr M Pauling
Headteacher

Matilda Design Competition

The art department are running a competition for students, from all years, to get involved with the design of the advertising for our upcoming school play. Advertising could include the programme, posters, social media posts, web banners etc. Any students interested in entering need to see any member of the art department for more information. Competition closes 18th December. All entrants will receive HPs and winners will receive prizes such as Amazon Vouchers, lots of house points and the pride in being involved.

Please do encourage your child to participate. The more entrants we have the more we will have to play with in our show programme and advertising. It's also a great opportunity for those students who shy away from the performance spotlight to have some creative involvement in the show.

STAR of the Week

In the MFL department, we want to highlight the hard work that our students are putting in to their languages lessons so, we are introducing our MFL Stars of the Week! This week's Stars are:

Gloucestershire Business School Challenge 2023 'In it to win it!' Update

Last Tuesday we were delighted to welcome Paige Glidden, Gloucestershire University Business School, and Liam Bircher, former pupil and undergraduate Business degree student at the University of Gloucester, into our A-Level Business class to help them prepare their presentations for the upcoming Grand Final of the Gloucestershire Business School Challenge, which will take place on 13th December at the universities Oxtall's Campus.

The teams ran through their presentations and Paige and Liam provided constructive feedback on both content and technique, which the teams have taken on board to improve their work ahead of next Wednesday's final.

It was lovely to work in partnership with the university and a former student and something we hope to see a lot more of in the future.

Thanks to Paige and Liam for their time and excellent contribution to the learning of our A-Level Business students, and to our students for their engagement during the session.

They are now strong contenders and we wish them the very best for the upcoming final.

Nikolaustag

This week, year 7 Germanists spent time in lessons learning about the German and Austrian tradition 'St Nicholas'. On this day, 6th December, it is traditional for children to leave their shoe or boot by the door for St Nicholas to leave chocolate or small gifts.

Our year 7 students were delighted at the end of their lesson to find some chocolate in their shoes as they have been excellent students!

**HOLIDAY
ACTIVITY
FUND**

Charity No. 281797

We would like to make you aware of the holiday Free School Meal (FSM) voucher scheme that Gloucestershire County Council is currently offering to families in Gloucestershire. Applications for holiday FSM vouchers for December 2023 Winter holiday will be open from midday on Tuesday 28th November 2023, until midday on Tuesday 12 December 2023. Voucher emails will be sent to you from the week commencing 18 December 2023. If you have not received your vouchers by 20 December, please email childrensfund@gloucestershire.gov.uk

This Winter holiday period, Gloucestershire County Council will provide families in receipt of Free School Meals, who sign up to this offer, with vouchers to assist with food costs during the school holidays. The vouchers are funded through grant funding we have received, and they are separate to that of term time free school meals.

The scheme is for children in reception to year 11 who receive Pupil Premium (benefits-related) free school meals and attend a school in Gloucestershire. Families who have signed up to the scheme or who are already registered will receive a total of £15 per child.

To find out more about the scheme and to apply, you can visit our [Holiday FSM vouchers webpage](#).

Families who have signed up previously do not need to re-register for December 2023 holiday vouchers -you will already have been included. Families that have previously signed up will need to contact Glos CC with any changes to your circumstances (e.g. if the number of children eligible increases or decreases). To ensure Glos CC reach all those who are eligible, we are encouraging parents that have not previously signed up, to sign up as soon as they can.

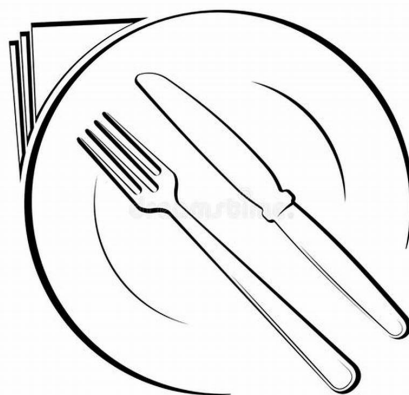

Please note Glos CC check eligibility for the scheme by cross-referencing with the term-time free school meal register. You can register by visiting the [apply for free school meals page](#).

Using vouchers – vouchers need to be used will only be awarded once the parent has registered for the scheme and cannot be backdated. Vouchers are valid for 6 months, although should be used in the holiday period in which they are awarded. If vouchers are not claimed and have expired, they cannot be re-issued. Vouchers not received should be queried via email to childrensfund@gloucestershire.gov.uk by the end of the holiday period.

If you wish to update details of an existing application, please email childrensfund@gloucestershire.gov.uk

Extra-Curricular Clubs

We are currently putting together a list of extra-curricular clubs that students are encouraged to attend. Some such as the '4pm Club' and the sports clubs (details of the sporting clubs are in the 'Sporting News' section) have already started. Once we have a comprehensive list it will be added to the website.

4pm Club

In preparation for the Year 11 mock exams we are providing additional support in terms 1 and 2 for our students. This takes place in the form of our '4pm Club' which has run successfully for a number of years. This intervention provides a programme of support run by different departments to focus on exam skills and subject knowledge. It also provides an opportunity to work on coursework in certain subjects. '4pm Club' runs Tuesday to Friday with the expectation that students attend a minimum of two sessions per week.

'4pm Club' re-commenced this week, from 3:05pm to 4pm.
