Dear Parent/Carer

## Gloucestershire Schools' Christmas Science Lecture – Monday 11th December 2023

We are very fortunate to have booked tickets to attend The Gloucestershire Schools' Christmas Science Lecture on **Monday 11th December 2023**. Due to your child's excellent effort in Science lessons in the previous term, we would like to reward this by giving priority access to these tickets.

The Lecture is to inspire and engage inquisitive young minds, as well as being interactive covering some of the latest scientific themes. This will help students learn more about the benefits of studying science, technology, engineering and maths at GCSE. It would be of great benefit to your child if they could attend this Lecture.

Students will need to arrive at school in school uniform at the normal time of 8.25am and the minibuses will be leaving from 9:15am. The show will end at 12.30pm and we will aim to be back at school in time for lunch at 13.20pm.

We would ask for a voluntary contribution of £9.00 toward the costs of the trip. This can be paid, and consent given for your son/daughter to attend and for photos to be taken for use on publications and social media, on School Gateway by **3<sup>rd</sup> December 2023**.

If you have any queries about this visit, please do not hesitate to contact me.

Yours faithfully

Dr R Dinnis  
Science Teacher
