## About me

Hi there, just a bit about me, my name is Riggs, I am very gentle and loving - I work hard helping my human brother at home with his emotions - he has Autism & ADHD and can get worried and upset sometimes but I know how to help calm him down. He is getting big now so I would like to see what other children I can help, especially those that are struggling with their mental health - I can put a smile on anyone's face! I love school - I have certificates to prove it from the kennel club & my mummy is doing some work so that I will be a registered therapy dog! I would like to help others enjoy being at school too, I also love chasing a ball, swimming, running around with my dog or human friends & having cuddles from my friends and family.

**Dislikes** - when I have to stop chasing my ball & when I am not getting constant fuss!

I love school!

Looking good!
