

Step into Sixth Form

Bridging the Gap from Year 11 to Sixth Form

Bridging work Chemistry

Mr Lucas
ll@chosen-hill.gloucs.sch.uk

Remember, as an independent learner you should still be taking notes and keeping your work in an organised fashion. Don't stop exploring ideas and additional themes around the topics, just because you now have set tasks that will be submitted for assessment.

The purpose of these Bridging tasks is to spark your continued interest in the subject, develop your knowledge and prepare you for a flying start in September, enjoy them!

Note the submission dates and method for every subject.

Skills	Compulsory Tasks	Outcome	Assessment method	Submission date	Feedback form
 Reading  Internet Research Accurate writing Completing work by the deadline 	<p>Consolidating knowledge from GCSE Chemistry and describing motivations for taking Chemistry A Level.</p> <p>Part A: Past paper questions that will be marked, assessed and feedback given.</p> <p>Part B: A summary of why you want to study A Level Chemistry</p>	<p>Completion of practise questions drawn from across the entirety of GCSE Chemistry to ensure you continue from GCSE with a firm recollection of chemistry topics.</p> <p>You will find the additional materials here:</p>	<p>Exam questions completed through the bridging task to be marked, assessed and feedback given.</p>	<p>First lesson of term 1.</p>	<p>Full test analysis and direction on reviewing challenging areas.</p>
