

INTERNATIONAL WOMEN  
In ENGINEERING DAY  
23 June 2023

## Empowering female engineering excellence

Want to find out more about our **Advanced Apprenticeship programme?**  
Informal drop-in session on **Friday June 23, 2023**, at our **Stonehouse site**,  
**Brunel Way, Stonehouse GL10 3SX** between **10.00 - 12.00 (noon)**

Did you know that in the UK (2021) only 16.5% of engineers are women? BorgWarner currently has vacancies in the **Autumn 2023 Engineering Advanced Apprenticeship Programme** and is keen to encourage applications from women, who are hugely underrepresented across the engineering industry.

### We can offer you:

- A career in world class high-precision engineering
- Skills development that will place you amongst the very best in the field
- Up to degree level qualifications
- Working for a cutting-edge engineering company using state-of-the-art technology

### Want to find out more about our Advanced Apprenticeship programme?

We are hosting an informal drop-in session on International Women in Engineering Day. Drop in at any time between 10.00 - 12.00 (noon) for a drink and cake, to meet women & apprentices working across the business and find out what it's like to work here! Just drop an email to [kastephens@borgwarner.com](mailto:kastephens@borgwarner.com) confirming your details and numbers likely to attend the drop-in **before 16 June 2023**.
