JOB DESCRIPTION

Established in 1938, Cotteswold Dairy is one of the UK's leading independent, family-owned dairies. We support local farmers and communities by delivering the freshest, finest quality products and first class customer service.

Team Cotteswold:

At Cotteswold Dairy we recognise that we will achieve far greater success working as a team, with empathetic people management and valuing each other, our staff and our customers.

The aim of 'Team Cotteswold' is to give a disciplined and determined effort to value everyone and everything and as a consequence make the Company the first preference for employees and customers alike over the long term.

The Team Cotteswold Purpose:

Being at the heart of a responsible and sustainable dairy community.

Overview:

Cotteswold Dairy are working in Partnership with GET to offer an apprenticeships that will give you formal training alongside work placements. You will be supported by a team of specialists from GET and our engineering team, to ensure you are able achieve the requirements of your programme to the best of your individual ability.

Each work-based placement is designed to complement your skills and experience whilst ensuring you are given a rigorous foundation in all areas of the specific scheme. These placements are in real jobs where you are providing value to the organisation at the same time as having your skills and experience challenged.

Purveyors of **Quality Products** with **First Class Service**

Cotteswold Dairy

For year 1 you will be based at GET in Gloucester term times, you will be onsite at Cotteswold Dairy Tewkesbury Production Facility during holidays learning from our skilled team of engineers.

Years 2 to 4 will be based at Tewkesbury Production Facility allowing you to work on real projects and products and develop within the engineering team. Studying will continue at GET on a part time basis.
