- Your original mark is confirmed as correct; there will be no change to your grade.
- Your original mark is raised, so your final grade may be higher than the original grade you received. You will also receive a refund of the fee if your overall grade goes up.
- **Your original mark is lowered, so your final grade may be lower than the original grade you received.**

In order to proceed with request, you (**the student**) must complete and sign this form. This gives the school authorisation for the request to be made and that you have understood the possible outcomes.
