

Step into Sixth Form

Bridging the Gap from Year 11 to Sixth Form

Bridging work Physics

Dr Lee
jle@chosen-hill.gloucs.sch.uk

Remember, as an independent learner you should still be taking notes and keeping your work in an organised fashion. Don't stop exploring ideas and additional themes around the topics, just because you now have set tasks that will be submitted for assessment.

The purpose of these Bridging tasks is to spark your continued interest in the subject, develop your knowledge and prepare you for a flying start in September, enjoy them!

Note the submission dates and method for every subject.

Skills	Compulsory Tasks	Outcome	Assessment method	Submission date	Feedback form
 Reading Internet Research Accurate writing Completing work by the deadline 	<p>Consolidating essential maths skills for Physics. Physics Bridging task b. Preparation for a Maths test. This will take place in the second week of your timetable in year 12. From this we will assess who needs further support with essential maths skills. Will you be the first person to get 100%?</p>	<p>Completion of tasks to practice skills to ensure you are Confident with basic maths skills needed every lesson</p>	<p>Test in the first week back in school.</p>	<p>First lesson of Term 1 for the practice work.</p>	<p>Full test analysis and support exercises for weaker maths skills.</p>
